+

**Rear and side bumpers**

+

**Galvanised headboard**

✓

**Packing in containers for sea transport possible**

+

**Rods** in addition to Plexiglas for the 4 front sight windows (on models 125).

+

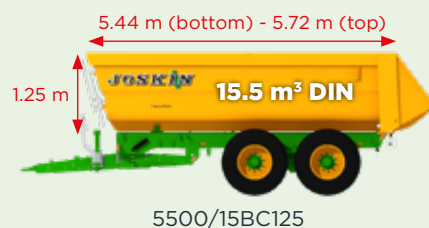

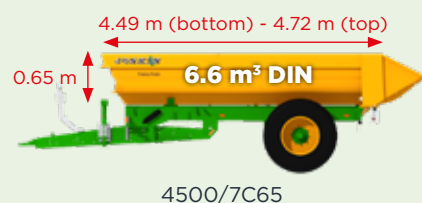

**Large front sight window** with galvanised rods and transparent Plexiglas (on models 125).

# WIDE RANGE OF TRANS-PALM

The Trans-PALM is a monocoque agricultural tipping trailer specialised in the transport of goods loaded by mini-loaders, or by hand.

The **LOW BODY HEIGHT** ensures an easy loading, whatever the type of implement used.

The tapered body has identical **front (2.18 m)** and **rear (2.26 m)** inside widths for all models.

**An easy, practical tipping trailer that stands up to any challenge!**
